SCHOOL PROFILE

2022-2023

At Score Academy's four school locations in south Florida, individualization and customization guide our work with students. We are accredited by Cognia and the Southern Association of Colleges & Schools Council on Accreditation and School Improvement (SACS CASI), and are approved by SEVIS for international students. The College Board has individually approved our AP courses and teachers. Core courses in all our schools are accepted by the NCAA Eligibility Center. Our Palm Beach County schools are approved to accept the Florida Tax Credit Scholarship Program (FTC), the Family Empowerment Scholarship (FES), and the Hope Scholarship.

Score Academy offers full-time and part-time private schooling to students who choose to learn in our intentionally small group or 1-on-1 setting. During a full school day Monday through Friday, full-time students typically take 4-5 core academic courses and up to 2 electives each semester. We also create programs for part-time students to meet their specific needs (e.g., a plan combining independent study with scheduled class time, or one in which a student takes some classes at Score Academy and other classes at another school or through an accredited online provider, such as Florida Virtual School).

Score Academy develops an individual education plan for every student to match his/her specific learning style and personal goals. We offer courses in all subject areas across all grade levels, from kindergarten through 12th grade, and at all educational levels, from remedial and regular to honors and AP. We also offer advanced-level courses for students requiring additional rigor beyond the AP curriculum, including Multi-Variable Calculus, Linear Algebra and Post-AP English.

College Preparatory Diploma Requirements (24 credits)

- English: 4 credits
- Mathematics: 4 credits (Algebra I & 2; Geometry; plus one, more advanced year-long course)
- Science: 3 credits (including biology with lab)
- Social Science: 3 credits (World History, US History, Government/Economics)
- Foreign Language: 2 credits (same language)
- PE/Health: 1 credit
- Computers/Life Skills: 1 credit
- Arts: 1 credit
- Electives: 5 credits (including Diversity Education and Financial Literacy)

Our faculty engage students through a variety of teaching methods that complement each student's unique learning style. They communicate effectively, in part, because of their passion for teaching.

Because Score Academy focuses on the academic needs, learning style, and personality of each and every student, we are in a position to accept anyone who has the potential to succeed in our environment. Open enrollment enables us to accept students throughout the school year, not just at the start of a semester. Ideal candidates for our private schools are those students who...

- need flexible scheduling due to demanding schedules in athletics or performing arts,
- desire the benefits of the highest level of education with the lowest student-teacher ratio,
- require a smaller, more nurturing environment with engaging teachers, and/or
- have specific learning needs or disabilities.

SCHOOL PROFILE

2022-2023

Like most other schools, Score Academy gives students homework, research assignments, quizzes, tests, and exams. Score Academy keeps parents up-to-date with weekly progress reports; we issue report cards on a quarterly basis and official transcripts at the end of each school year.

In 2021-2022, Score Academy enrolled 256 students on a full- or part-time basis:

	Boca Raton	Coral Springs	PB Gardens	Wellington	TOTALS
Full-Time	93	9	89	20	211
Part-time	14	4	16	11	45
TOTALS	107	13	105	31	256

On a District-wide basis, Score Academy has graduated more than 300 students since our first graduation in 2009, with our largest graduating class of 51 students in 2020. To date, more than 90% our graduates have continued their education in 4-year colleges. In the last four years, our 170 graduates were accepted by the following colleges:

Arizona State	Florida Inst of Tech	Pace	U Denver
Auburn	Florida Intl	Palm Beach Atlantic	U East London
