
*Selective Institutions that Went
Test Optional as a Result of Covid-19*

(Effective 4/19/20)

Some colleges will waive their admission requirement for applicants to submit SAT or ACT scores. For most colleges, these new pilot policies will go into effect for the 2020–21 admission cycle. Colleges will evaluate the pilot after the close of the admission cycle in 2021 and determine whether to make it an ongoing policy.
